

Redi-Mix Driver Job Description

COMPANY PROFILE

Stubbe's Redi-Mix Inc. was incorporated in 2007 to expand service to our agricultural, residential and commercial customers. Our Redi-Mix plant is located at our Harley location and services customers within a 1 hour radius of our plant. Stubbe's Redi-Mix distinguishes itself through its quality, customer service and equipment. Our contractors quickly realized the maneuverability, safety and labour saving benefits of our area-unique front discharge trucks. We provide front-discharge trucks, conveyor trucks, trailer mixers and concrete pumps. Stubbe's Redi-Mix also provides a mix-design service and on-site quality sampling. Our quality testing and analysis are performed at our own CSA approved laboratory.
