

Diesel Mechanic Job Description

COMPANY PROFILE

Stubbe's is a family owned and operated company that has been in business for over 30 years.

Stubbe's started as a small precast company servicing the agricultural market, evolving over the past 30 years to a diversified company that provides a wide range of concrete (related) products and services. Stubbe's has organized those products and services under the following entities:

- Stubbe's Precast,
- Stubbe's Redi-Mix, and
- Stubbe's Cement.

Stubbe's is known for its forward thinking solutions, quality and customer service and offers significant experience and expertise in providing optimal solutions for commercial, industrial, residential and agricultural structures.

Stubbe's is located in the hamlet of New Durham, 20 minutes south of Woodstock, about 25 minutes west of Brantford.
